Bloodrage

Rounds per Day ❑❑❑❑❑ ❑❑❑❑❑ ❑❑❑❑❑ ❑

Bloodrage (Su): The bloodrager's source of internal power grants him the ability to bloodrage. A bloodrager can bloodrage for 16 rounds per day. Temporary increases to Constitution (such as those gained from bloodraging or spells like bear's endurance) don't increase the total number of rounds that a bloodrager can bloodrage per day. The total number of rounds of bloodrage per day is renewed after resting for 8 hours, although these hours don't need to be consecutive.A bloodrager can enter a bloodrage as a free action. While in a bloodrage, a bloodrager gains a +4 morale bonus to his Strength and a +4 morale bonus to his Constitution, as well as a +2 morale bonus on Will saves. In addition, he takes a -2 penalty to Armor Class. The increase to Constitution grants the bloodrager 10 hit points, but these disappear when the bloodrage ends and are not lost first like temporary hit points. While bloodraging, a bloodrager cannot use any Charisma-, Dexterity-, or Intelligence-based skills (except Acrobatics, Fly, Intimidate, and Ride) or any ability that requires patience or concentration.A bloodrager can end his bloodrage as a free action. When the bloodrage ends, he's fatigued for a number of rounds equal to twice the number of rounds spent in the bloodrage. A bloodrager cannot enter a new bloodrage while fatigued or exhausted, but can otherwise enter a bloodrage multiple times during a single encounter or combat. If a bloodrager falls unconscious, his bloodrage immediately ends, placing him in peril of death.Bloodrage counts as the barbarian's rage class feature for the purpose of feat prerequisites, feat abilities, magic item abilities, and spell effects. Traits

Rich Parents (Granted) **[Paizo Publishing - Ultimate Campaign]**

You have long served at a temple in a city, where you picked up on many of the nobility's customs in addition to spending much time in the temple libraries studying your faith. You gain a +1 trait bonus on Knowledge (nobility) and Knowledge (religion) checks, and one of these skills (your choice) is always a class skill for you.

Dirty Fighter **[Paizo Inc. - Advanced Player's Guide, p.328]**

You wouldn't have lived to make it out of childhood without the aid of a sibling, friend, or companion on whom you could always count to distract your enemies long enough to do a little bit more damage than normal. When you hit a foe you are flanking, you deal an additional 1 point of damage (this damage is added to your base damage, and is multiplied on a critical hit). This additional damage is a trait bonus.

Rich Parents **[Paizo Inc. - Advanced Player's Guide, p.330]**

You were born into a rich family, perhaps even the nobility. Your starting cash increases to 900 gp.

Special Qualities

Aberrant Bloodline **[ACG]**

There is a taint in your blood that is both alien and bizarre. When you bloodrage, this manifests in peculiar and terrifying ways.

Blood Casting (Su) **[ACG]**

At 4th level, the bloodrager gains the ability to cast spells even while bloodraging. He can also cast these spells defensively and can attempt concentration checks for these spells while bloodraging. While bloodraging, he can cast and concentrate on only his bloodrager spells (see below); spells from other classes cannot be cast during this state.

Bloodline **[ACG]**

Each bloodrager has a source of magic somewhere in his heritage that empowers his bloodrages, bonus feats, and bonus spells. Sometimes this source reflects a distant blood relationship to a powerful being, or is due to an extreme event involving such a creature somewhere in his family's past. Regardless of the source, this influence manifests in a number of ways. A bloodrager must pick one bloodline upon taking his first level of bloodrager. Once made, this choice cannot be changed.

Bloodrage (Su) **[ACG]**

The bloodrager's source of internal power grants him the ability to bloodrage. A bloodrager can bloodrage for 16 rounds per day. Temporary increases to Constitution (such as those gained from bloodraging or spells like bear's endurance) don't increase the total number of rounds that a bloodrager can bloodrage per day. The total number of rounds of bloodrage per day is renewed after resting for 8 hours, although these hours don't need to be consecutive.

A bloodrager can enter a bloodrage as a free action. While in a bloodrage, a bloodrager gains a +4 morale bonus to his Strength and a +4 morale bonus to his Constitution, as well as a +2 morale bonus on Will saves. In addition, he takes a -2 penalty to Armor Class. The increase to Constitution grants the bloodrager 10 hit points, but these disappear when the bloodrage ends and are not lost first like temporary hit points. While bloodraging, a bloodrager cannot use any Charisma-, Dexterity-, or Intelligence-based skills (except Acrobatics, Fly, Intimidate, and Ride) or any ability that requires patience or concentration.

A bloodrager can end his bloodrage as a free action. When the bloodrage ends, he's fatigued for a number of rounds equal to twice the number of rounds spent in the bloodrage. A bloodrager cannot enter a new bloodrage while fatigued or exhausted, but can otherwise enter a bloodrage multiple times during a single encounter or combat. If a bloodrager falls unconscious, his bloodrage immediately ends, placing him in peril of death.

Bloodrage counts as the barbarian's rage class feature for the purpose of feat prerequisites, feat abilities, magic item abilities, and spell effects.

Bonus Feat **[ARG]**

Humans select one extra feat at 1st level.

Fast Movement (Ex) **[ACG]**

A bloodrager's base speed is faster than is normal for his race by 10 feet. This benefit applies only when he is wearing no armor, light armor, or medium armor, and not carrying a heavy load. Apply this bonus before modifying the bloodrager's speed due to any armor worn or load carried. This bonus stacks with any other bonuses to the bloodrager's base speed.

Improved Uncanny Dodge (Ex) **[CR]**

You can no longer be flanked. This defense denies a rogue the ability to sneak attack you by flanking you, unless the attacker is a rogue of at least level 9.

Skilled **[ARG]**

Humans gain an additional skill rank at 1st level and one additional rank whenever they gain a level.

Spells **[ACG]**

Beginning at 4th level, a bloodrager gains the ability to cast a small number of arcane spells drawn from the bloodrager spell list. To learn or cast a spell, a bloodrager must have a Charisma score equal to at least 10 + the spell level. He can cast spells he knows without preparing them ahead of time. The saving throw DC against a bloodrager's spell is 10 + the spell level + the bloodrager's Charisma modifier.

Like other spellcasters, a bloodrager can cast only a certain number of spells of each level per day. In addition, he receives bonus spells per day if he has a high Charisma score. The bloodrager does not need to prepare these spells in advance; he can cast any spell he knows at any time, assuming he hasn't yet used up his allotment of spells per day for the spell's level.

The bloodrager's selection of spells is limited. Unlike spells per day, the number of spells a bloodrager knows is not affected by his Charisma score, but it is affected by any bonus spells he gains from his bloodline. At 8th level and every 3 levels thereafter, a bloodrager can choose to learn a new spell in place of one he already knows. This swap follows all the same rules as for a sorcerer.

Uncanny Dodge (Ex) **[CR]**

You can react to danger before your senses would normally allow you to do so. You cannot be caught flat-footed, nor do you lose your Dexterity bonus to AC if the attacker is invisible. You still lose your Dexterity bonus to AC if immobilized. You can still lose your Dexterity bonus to AC if an opponent successfully uses the feint action against you.

+1 Natural Armor **[CR]**

GM Award of Deflection Bonus

+1 Skill Bonus (Knowledge (Local), Survival) **[CR]**

GM awarded PC with +1 skill bonus.

+1 Trait (Trait ~ Rich Parents) **[APG]**

GM awarded PC with +1 Trait.

Feats

Alertness **[CR]**

You often notice things that others might miss.

You get a +2 bonus on Perception and Sense Motive skill checks. If you have 10 or more ranks in one of these skills, the bonus increases to +4 for that skill.

Furious Focus **[APG]**

Even in the midst of fierce and furious blows, you can find focus in the carnage and your seemingly wild blows strike home.

When you are wielding a two-handed weapon or a one-handed weapon with two hands, and using the Power Attack feat, you do not suffer Power Attack's penalty on melee attack rolls on the first attack you make each turn. You still suffer the penalty on any additional attacks, including attacks of opportunity.

Persuasive **[CR]**

You are skilled at swaying attitudes and intimidating others into your way of thinking.

You get a +2 bonus on Diplomacy and Intimidate skill checks. If you have 10 or more ranks in one of these skills, the bonus increases to +4 for that skill.

Power Attack **[CR]**

You can make exceptionally deadly melee attacks by sacrificing accuracy for strength.

You can choose to take a -2 penalty on all melee attack rolls and combat maneuver checks to gain a +4 bonus on all melee damage rolls. This bonus to damage is increased by half (+50%) if you are making an attack with a two-handed weapon, a one handed weapon using two hands, or a primary natural weapon that adds 1-1/2 times your Strength modifier on damage rolls. This bonus to damage is halved (-50%) if you are making an attack with an off-hand weapon or secondary natural weapon. You must choose to use this feat before making an attack roll, and its effects last until your next turn. The bonus damage does not apply to touch attacks or effects that do not deal hit point damage.

Toughness **[CR]**

You have enhanced physical stamina.

You gain +5 hit points.

Combat Reflexes **[Paizo Inc. - Core Rulebook, p.119]**

You can make additional attacks of opportunity.

You may make 2 additional attacks of opportunity per round. With this feat, you may also make attacks of opportunity while flat-footed.

Eschew Materials **[Paizo Inc. - Core Rulebook, p.123]**

You can cast many spells without needing to utilize minor material components.

You can cast any spell with a material component costing 1 gp or less without needing that component. The casting of the spell still provokes attacks of opportunity as normal. If the spell requires a material component that costs more than 1 gp, you must have the material component on hand to cast the spell, as normal.

Great Fortitude **[Paizo Inc. - Core Rulebook, p.124]**

You are resistant to poisons, diseases, and other deadly maladies.

You get a +2 bonus on all Fortitude saving throws.

Improved Disarm **[Paizo Inc. - Core Rulebook, p.127]**

You are skilled at knocking weapons from a foe's grasp.

You do not provoke an attack of opportunity when performing a disarm combat maneuver. In addition, you receive a +2 bonus on checks made to disarm a foe. You also receive a +2 bonus to your Combat Maneuver Defense whenever an opponent tries to disarm you.

Improved Initiative **[Paizo Inc. - Core Rulebook, p.127]**

Your quick reflexes allow you to react quickly to danger.

You get a +4 bonus on initiative checks.

Iron Will **[Paizo Inc. - Core Rulebook, p.129]**

You are more resistant to mental effects.

You get a +2 bonus on all Will saving throws.
