MAGIC	
-------	--

Languages	
Common, Dwarven, Elven, Gnome, Goblin, Halfling	

Other Companions	
------------------	--

Traits	
Good Slip	[Paizo Publishing - Hell's Vengeance Player's Guide, p.13]
Halflings are a common sight in Cheliah and make up the majority of that nation's slave population. Known derisively as "slips," halflings are almost universally treated with scorn and contempt, while paradoxically valued as the most precious slaves. You are a Chelish halfling, but unlike most of your race, you have embraced your role in Chelish society, and used it to your own advantage. People constantly overlook you or discount you as an inconsequential slip, but you know the truth--halflings are just as vital to the empire's health as its nobles, priests, and warriors. You may have been born a free halfling who has never known the chains of slavery, or a slave who was later freed after a period of loyal servitude. Or perhaps you are still a slave, happy (or at least content) in your enslavement, and hoping for some eventual recognition of your contribution, however small, to Cheliah's great and orderly society. You are skilled at prevaricating and dissembling, both to deflect blame away from yourself and to mislead others as to your true abilities and role. You gain a +1 trait bonus on Bluff checks, and Bluff is a class skill for you. In addition, your tacit support of Cheliah's social structure, and the clear knowledge of your own place in society, strengthens your resolve. Once per day, when you are adjacent to a human ally of Chelish descent, you can reroll a Will saving throw before success or failure is known. You must take the results of the second roll, even if it is worse. You must be a halfling to take this trait.	
Indomitable Faith	[Paizo Publishing - Ultimate Campaign]
You were born in a region where your faith was not popular, but you still have never abandoned it. Your constant struggle to maintain your own faith has bolstered your drive. You gain a +1 trait bonus on Will saves.	
Reactionary	[Paizo Inc. - Advanced Player's Guide, p.328]

You were bullied often as a child, but never quite developed an offensive response. Instead, you became adept at anticipating sudden attacks and reacting to danger quickly. You gain a +2 trait bonus on Initiative checks.

Special Attacks	
Sneak Attack (Ex)	[CR]
If you can catch an opponent when he is unable to defend himself effectively from your attack, you can strike a vital spot for extra damage. Your attack deals 3d6 points of extra damage anytime your target would be denied a Dexterity bonus to AC, or when you flank your target. Should you score a critical hit with a sneak attack, this extra damage is not multiplied. Ranged attacks can count as sneak attacks only if the target is within 30 feet. With a weapon that deals nonlethal damage, you can make a sneak attack that deals nonlethal damage instead of lethal damage. You cannot use a weapon that deals lethal damage to deal nonlethal damage in a sneak attack, not even with the usual -4 penalty. You must be able to see the target well enough to pick out a vital spot and must be able to reach such a spot. You cannot sneak attack while striking a creature with concealment.	

Special Qualities	
Bonus Critical Confirmation (Halfling Weapons) (3x)	[ARG]
Choose a weapon from the following list: sling, dagger, or any weapon with "halfling" in its name. Add a +1/2 circumstance bonus on critical hit confirmation rolls with that weapon (maximum bonus of +4). This bonus does not stack with Critical Focus.	
Danger Sense (Ex)	[PU]
You gain a +1 bonus on Reflex saves to avoid traps and a +1 dodge bonus to AC against attacks by traps. In addition, you gain a +1 bonus on Perception checks to avoid being surprised by a foe. This ability counts as trap sense for any feat or class prerequisite, and can be replaced by any archetype class feature that replaces trap sense. The bonuses gained from this ability stack with those gained from trap sense (if you have trap sense from another class).	
Debilitating Injury (Ex)	[PU]
At 4th level, whenever a rogue deals sneak attack damage to a foe, she can also debilitate the target of her attack, causing it to take a penalty for 1 round (this is in addition to any penalty caused by a rogue talent or other special ability). The rogue can choose to apply any one of the following penalties when the damage is dealt.	

Bewildered: The target becomes bewildered, taking a -2 penalty to AC. The target takes an additional -2 penalty to AC against all attacks made by the rogue. At 10th level and 16th level, the penalty to AC against attacks made by the rogue increases by -2 (to a total maximum of -8).

Disoriented: The target takes a -2 penalty on attack rolls. In addition, the target takes an additional -2 penalty on all attack rolls it makes against the rogue. At 10th level and 16th level, the penalty on attack rolls made against the rogue increases by -2 (to a total maximum of -8).

Hampered: All of the target's speeds are reduced by half (to a minimum of 5 feet). In addition, the target cannot take a 5-foot step.

These penalties do not stack with themselves, but additional attacks that deal sneak attack damage extend the duration by 1 round. A creature cannot suffer from more than one penalty from this ability at a time. If a new penalty is applied, the old penalty immediately ends. Any form of healing applied to a target suffering from one of these penalties also removes the penalty.

Evasion (Ex)	[CR]
You can avoid damage from many area-effect attacks. If you make a successful Reflex saving throw against an attack that normally deals half damage on a successful save, you instead take no damage. Evasion can only be used if you are wearing light armor or no armor. If you are helpless, you do not gain the benefit of evasion.	
Fearless (Ex)	[CR]
Halflings receive a +2 racial bonus on saving throws against fear. This bonus stacks with the bonus granted by Halfling Luck.	
Finesse Training (Ex)	[PU]
At 1st level, a rogue gains Weapon Finesse as a bonus feat. In addition, starting at 3rd level, she can select any one type of weapon that can be used with Weapon Finesse (such as rapiers or daggers). Once this choice is made, it cannot be changed. Whenever she makes a successful melee attack with the selected weapon, she adds her Dexterity modifier instead of her Strength modifier to the damage roll. If any effect would prevent the rogue from adding her Strength modifier to the damage roll, she does not add her Dexterity modifier. The rogue can select a second weapon at 11th level and a third at 19th level.	
Halfling Luck (Ex)	[CR]
Halflings receive a +1 racial bonus on all saving throws.	
Keen Senses (Ex)	[CR]
Halflings receive a +2 bonus on Perception skill checks.	
Major Magic (Vanish) (Sp)	[PU]
You can cast Vanish 2 times a day as a spell-like ability. The caster level for this ability is 5. The save DC for this spell is 15.	
Minor Magic (Acid Splash) (Sp)	[PU]
You can cast Acid Splash. This spell can be cast at will as a spell-like ability. The caster level for this ability is 5. The save DC for this spell is 14.	
Rogue's Edge (Ex)	[PU]
You have mastered a single skill beyond that skill's normal boundaries, gaining results that others can only dream about. You gain the skill unlock powers as appropriate for the number of ranks you have.	

Skill unlock acrobatics 5 Ranks	[PU]
You can move at normal speed through a threatened square without provoking an attack of opportunity by increasing the DC of the check by 5 (instead of by 10). You aren't denied your Dexterity bonus when attempting Acrobatics checks with DCs of 20 or lower.	
Sure-Footed (Ex)	[CR]
Halflings receive a +2 racial bonus on Acrobatics and Climb skill checks.	
Trapfinding (Ex)	[PU]
You add +2 to Perception skill checks made to locate traps and to Disable Device skill checks. You can use the Disable Device skill to disarm magical traps.	
Uncanny Dodge (Ex)	[CR]
You can react to danger before your senses would normally allow you to do so. You cannot be caught flat-footed, nor do you lose your Dexterity bonus to AC if the attacker is invisible. You still lose your Dexterity bonus to AC if immobilized. You can still lose your Dexterity bonus to AC if an opponent successfully uses the feint action against you.	
Underhanded* (Ex)	[PU]
A rogue with this talent gains a +4 circumstance bonus on all Sleight of Hand checks made to conceal a weapon. Furthermore, if she makes a sneak attack during the surprise round using a concealed weapon that her opponent didn't know about, she does not have to roll sneak attack damage, and the sneak attack deals maximum damage. A rogue can only use the underhanded talent a number of times per day equal to her Charisma modifier (minimum 0).	
Weapon Choice (Dagger) (Ex)	[PU]
Dexterity to Damage with Dagger	
Weapon Familiarity (Ex)	[CR]
Halflings are proficient with slings and treat any weapon with the word "halfling" in its name as a martial weapon.	
+1 Bonus Feat (2x)	[CR]
GM awarded PC with +1 feat.	
+1 Skill Bonus (Knowledge (Local), Knowledge (Local), Knowledge (Local), Sleight of Hand, Sleight of Hand, Sleight of Hand, Survival)	[CR]
GM awarded PC with +1 skill bonus.	

Feats	
Bookish Rogue	[ACG]
By studying a spellbook for 10 minutes, you can change one spell you are able to cast using your minor magic or major magic rogue talent to one sorcerer/wizard spell of the same level contained in the spellbook. This change is permanent until you take the time to change it via this feat again.	
Extra Unchained Rogue Talent (2x)	[PU]
Through constant practice, you have learned how to perform a special trick. You gain one additional unchained rogue talent. You must meet all of the prerequisites for this rogue talent. Special - You can gain Extra Rogue Talent multiple times.	
Skill Focus (Stealth)	[CR]
You are particularly adept at your chosen skill. You get a +3 bonus on all checks involving the chosen skill. If you have 10 or more ranks in that skill, this bonus increases to +6.	
Two-Weapon Fighting	[CR]
You can fight with a weapon in each of your hands. You can make one extra attack each round with the secondary weapon. Your penalties on attack rolls for fighting with two weapons are reduced. The penalty for your primary hand lessens by 2 and the one for your off hand lessens by 6. See Two-Weapon Fighting in Chapter 8.	
Weapon Focus (Dagger)	[CR]
You are especially good at using your chosen weapon. You gain a +1 bonus on all attack rolls you make using the selected weapon.	
Weapon Finesse	[Paizo Inc. - Core Rulebook, p.136]
You are trained in using your agility in melee combat, as opposed to brute strength. With a light weapon, rapier, whip, or spiked chain made for a creature of your size category, you may use your Dexterity modifier instead of your Strength modifier on attack rolls. If you carry a shield, its armor check penalty applies to your attack rolls.	

Proficiencies
Battle Aspergillum, Bayonet, Blowgun, Boar Spear, Brass Knuckles, Cestus, Club, Hand Crossbow, Heavy Crossbow, Light Crossbow, Dagger, Punching Dagger, Dart, Gauntlet, Spiked Gauntlet, Grapple, Javelin, Longspear, Heavy Mace, Light Mace, Mere Club, Morningstar, Quarterstaff, Rapier, Rock, Sap, Shortbow, Shortspear, Sickle, Sling, Spear, Boar Spear, Ray Spells, Touch Spells, Splash Weapon, Stake, Short Sword, Unarmed Strike, Underwater Heavy Crossbow, Underwater Light Crossbow
